Education

November 2022

Ph.D. Periocular Face Recognition
JAIN University, Bengalure, India

May 2009

MPhil Image Processing
PRIST University, Thanjavur, India

April 2006

M.Sc. Computer Science
Kuvempu University, Shimoga, India

Research Interest

LinkedIn profile: <https://www.linkedin.com/in/sheela-r-592b2722/>

Orchid Id: <https://orcid.org/0000-0001-8924-0008>

Web of Science ID: GPP-7165-2022

Personal Statement

- Dr.Sheela R. is a highly accomplished educator and academician with a Doctorate in Periocular Region Face Recognition.
- She is passionate about imparting knowledge and skills to students from diverse backgrounds. She has a proven track record of engaging students and fostering critical thinking, resulting in excellent academic outcomes.
- A team player with deep experience in the education sector with 17 years of work experience in teaching, and 4 years of research, at an internationally reputed private Deemed to be University.
- Her expertise in the field and ability to deliver engaging lectures have earned her the respect and admiration of students.
- Her teaching methods have been praised for their ability to promote deep learning and meaningful interactions.

Skill

Expertise in Computer Science:

Teamwork and Collaboration:

Teaching and Pedagogy:

Critical thinking

Curriculum Development:

Communication Skills:

Research Skills:

Mentorship and Advising:

Leadership and Administration:

Adaptability and Continuous Learning:

Language

English

Kannada

Hindi

Current Employment Status

SEPTEMBER 2023 – TILL DATED

Alliance University, Dept of Computer Science & Engineering, Anekal

Associate Professor,

Roles and Responsibilities

Course Coordinator—handled the responsibilities of Team Lead/ course coordinator— entails overseeing and managing various aspects of a particular course, including but not limited to:

1. Ensure the curriculum aligns with the institution's educational objectives and standards. Also, collaborate with faculty members to develop or update course materials, assignments, and assessments.
2. Regularly communicate with relevant stakeholders, including students, faculty, departmental administrators, and external partners.
3. Instruments, grading policies, and providing feedback to students and faculty.
4. support faculty members by facilitating communication, providing resources, and assisting with administrative tasks related to course delivery. This may include organizing faculty meetings, disseminating information, or coordinating training sessions.

Student Research Co-Ordinator:

1. Organize training sessions and workshops to develop students' research skills, including literature review, research methodologies, data collection, analysis, and presentation.
2. Assist students in disseminating their research findings through various channels such as conferences, journals, and presentations.
3. Promote a culture of research and scholarly inquiry among students by organizing events, competitions, and seminars related to research topics.

Class Advisor:

1. represent the class in faculty meetings and committees, voicing student perspectives on issues related to curriculum development, program enhancements, and student welfare initiatives.
2. Assist students in understanding the curriculum requirements, helping them navigate academic challenges, and providing resources for academic success.
3. Bridge between students and faculty, facilitating communication and fostering a collaborative learning environment. To communicate important information regarding academic policies, deadlines, and events to the students, and relay student feedback and concerns to relevant faculty members or administrative staff.

EMPLOYMENT HISTORY

● **FEB 2021 – AUGUST 2023**

Jain University, Dept Of CS&IT, Knowledge Campus, Bangalore,

Associate & Academic Consultant, MILES EDUCATION

Roles and Responsibilities

- Syllabus & content development for domain-specific specialization courses of Cyber Security
- Guide for Project Centric Learning (PCL)
- Meticulously prepared the syllabus and curriculum for Cyber Security Specialization Subjects Digital Forensics, Cyber Threat Intelligence, Incident Response Handling, Internet Security, Cyber Forensic Investigation.

- Taken initiative for Planning & Executing Industrial Visit for Students.
- Taken initiative for Planning & Executing Conferences, Seminars & Workshops for students.
- Effectively guided students in their research endeavors, including the publication of research papers.
- Mentoring and guiding students in their academic success.
- Active involvement in departmental committees, curriculum development, and academic research initiatives
- Actively participated in various departmental and institutional activities, served on committees, contributed to academic planning, and collaborated with colleagues, exhibiting a strong commitment to the overall growth and development of the institution.

● JUNE 2017 to JAN '2021

JAIN UNIVERSITY-Dept of FORENSIC SCIENCE & CYBER SECURITY

Assistance Professor

Roles and Responsibilities

- Has been part of the Forensic Science Dept for handling both practical & theory in Cyber Forensics, Digital Forensics, Forensic Computing, and Cyber Security.
- Have guided final year students with cyber forensics subjects as specialization.
- Has been part of practical exams conducted by CIFS & has been to other colleges as an external examiner.
- Paper Setter for CIFS, Cyber Forensics, JAIN University, Examination Board.
- Lecture planning, preparation, and research

● March 2015–April 2017

MAHARANI'S SCIENCE COLLEGE FOR WOMEN (Dept of CS & MCA), Bangalore.

Assistance Professor

Roles and Responsibilities:

- Has been working as GUEST FACULTY at Dept of CS. (MCA)
- Have Co-Authored a BOOK on "COMPUTER APPLICATION & INFORMATION TECHNOLOGY" for VI Sem BA/BCA/B.Sc. (Bangalore University)
- Handling both theory & practical in Computer concepts and programming for both PG & UG students.
- Had been assigned as a Guide for MCA students in Mini-Projects.
- Prepared SLM of Database Management Systems of MBA Program, Jain University
- Developed "OPERATING SYSTEM" COURSE MATERIALS for JAIN University, Regular Classes.
-

● JUNE 2007 to NOV-2012

JAIN UNIVERSITY (BCA DEPT), School of Science, JC Road, Bangalore

Lecturer

Roles and Responsibilities:

- Participated in the development, administration, and marking of exams and other assessments Handling both theory & practical in Computer concepts
- Convenor for BCA Forum, Jain University. (2008 to 2011)

- Taken up the responsibility as Class teacher Coordinating Mentorship for all BCA students
- Convener for "Anveshana" – Talent search program for BCA students (Inter Class Fest)
- Convener for "LOGIN" – Talent search program for BCA students (Inter Collegiate Fest)

BOOK CHAPTERS

- Title: "Unmasking the masked face recognition and its challenges using periocular region: A Review. Handbook of Research on Technical, Privacy, and Security Challenges in a Modern World Global Publication.
- Sheela R, Suchithra. R, (2022, Published)
- DOI:10.4018/978-1-6684-5250-9.ch004

PATENTS:

- Patent No: 202241028512
Title of invention: "REGION SPECIFIC AND SUB IMAGE BASED NEIGHBOUR GRADIENT FEATURE EXTRACTION FOR ROBUST PERIOCLAR
- Patent No: 202241006638
Title of invention: "MONITORING OF BODY TEMPERATURE WITH ALERT THROUGH IOT WITHOUT CONTACT TO HUMAN BODY DURING COVID SITUATIONS"

CONTINUOUS LEARNING

Certifications On Going:

- **PEN-200: Penetration Testing with Kali Linux**
- **VAPT**

Completed:

DIGITAL FORENSIC from EthicalBytes- certificate No-EBDF090723JJ0005

ETHICAL HACKING from EthicalBytes- certificate No-EBEH090723JJ0002

Subject Competencies:

- Subject expertise in cyber security, Digital Forensics, Forensic computing, Cyber Threat Intelligence, and Incident Handling.
- Subject expertise in Research Methodology, ML& DL, AI, and Data Analytics.
- Advanced concepts of DBMS, RDBMS, VB, C, C++, Software engineering, system programming, ADA, computer architecture, operating system, HTML, CA&IT, and Computer fundamentals.
- Languages: C, C++, VB, Oracle, HTML, JAVA, JavaScript, DTP, Successfully Completed DOTNET (ASP.NET, C#, VB.NET, DOTNET FRAMEWORK,ADO DOTNET) RDBMS Backend Tool

ACADEMIC ACHIVEMENTS

- **Role as a Curriculum Advisory Committee member for BCA Cyber Security**—member of the Curriculum Advisory Committee for BCA Cyber Security, contributed to the enhancement of the program's syllabus to align with evolving academic and industry requirements. Participated in committee meetings to propose recommendations for syllabus refinement, ensuring compliance with industry standards. Collaborated with peers to present suggestions to the Board of Studies, facilitating informed discussions and approvals for curriculum updates.
- **Panelist to Chair the Oral Research Presentations**—Effectively served as Panelist to Chair the Oral Presentations, showcasing strong leadership and organizational skills in facilitating smooth and engaging discussions during academic presentations."
- Reviewer for 'Machine Vision and Application" (MVAP) Journal
- Have Co-Authored a BOOK on "COMPUTER APPLICATION & INFORMATION TECHNOLOGY" for VI Sem BA/BCA/B.Sc. (Bangalore University)
- Prepared SLM of Database Management Systems of MBA Program, Jain University
- Developed "OPERATING SYSTEM" COURSE MATERIALS for JAIN University, Regular Classes.
- Developed "OPERATING SYSTEM" COURSE MATERIALS for JAIN University, Distance Education.
- Has been an external Examiner" for various colleges as Domain Specialization Subjects of Cyber Security and Digital Forensics.
- Taken up responsibility as "BOE MEMBER" for Jain University, Dept of CS & IT (2015–2016,2016– 2017)
- Coordinating Head for BCA practical exams.
- Have been invited as judges for many inter and intra-collegiate fests, and events.
- Has been working as Convenor for BCA Forum, Jain University Sep 2008 to 2011
- Have guided both UG & PG students to take up mini, and major projects as part of their curriculum.
- Convener for "Log in" – Talent search program for BCA students (Inter Collegiate Fest).
